

A PRAYER FOR YOUR CHILDREN & GRANDCHILDREN

Nothing brings greater results than *'praying the word'* over your Children/Grandchildren. If you're concerned about yours, pray over them each day. –

Heavenly Father,

I thank you for your word concerning my children. It says, *'My work shall be rewarded and my children will return from the land of the enemy.'* (Jer. 31:16-17) *'You promised you would be their teacher, that they would walk in your peace.'* (Isa. 54:13)

Because I – *'...delight in your commandments, you said my children would enjoy your blessing day by day.'* (Ps. 112 1-2). You promised you would *'...pour out your Spirit on my seed, your blessing upon my offspring and that the day will come when they will say, "I am the Lord's!"'* (Isa. 44:3-4).

You said that *'...you'd never forget them, because their names are engraved on the palms of your hands and that you would destroy anything that tries to destroy them.'* (Isa. 49:16-17)

Father, you promised to *'...save my children,'* and I claim it. (Isa. 49:25) Lord, you said that your *'...Spirit which is upon me, and your words, which you have put in my mouth, would not depart from my mouth or the mouth of my children or the mouth of my children's children, and that your everlasting mercy would be upon them.'* (Isa. 59:21 & Ps. 103:17).

Thank you Lord, for giving me these precious promises concerning my children and grandchildren. I stand on them, claim them and believe you to bring them to pass. Jesus said that if we *'...ask you for anything in His Name, that you would give it to us.'* (John 15:16) So I am asking for my child's/children/grandchildren's salvation.

IN JESUS NAME.

Amen
